STRENGTH  
SERVICE  
SAVING

## “SETTLED— without an argument over technicalities”

*Actual Example of Liberty Mutual Automobile Insurance Service*

“ACCOMPANIED by my brother and sister, I was driving last summer to Portsmouth, N. H. Just ahead of me was another car going in the same direction. In swerving to the side to pass it, my car toppled and overturned.

“I reported the damage immediately to the Liberty Mutual, although my attorney told me that the insurance company might be justified in contesting my claim. Imagine, then, my great satisfaction when I received, without delay, a check in full settlement for the damage! *And without an argument over technicalities.*

“Such liberal and fair treatment as this makes insurance in the Liberty Mutual doubly valuable to me. Particularly so in view of the fact that I am getting such service with a real saving in the cost of the insurance.”

(Signed) HENRY P. PORTER  
Boston, Mass.

HAVE you protection that affords such liberal settlement service—protection that does not “stand on technicalities”? Or would you have to pay

the cost of repairing the car *out of your own pocket?*

Liberty Mutual protection lives up to the spirit as well as the letter of fair dealing—as proven by the fact that 99 out of every 100 Liberty Mutual claims are *settled promptly and settled out of court.*

And then realize that Liberty Mutual policyholders have always received this service at a great saving in insurance cost. The saving comes in the form of *annual 30% cash refunds.* In dollars and cents this means that every policyholder gets back \$30 for every \$100 of premium.

If you are not now getting protection like this—at such low cost—write or telephone our office today for complete information. Liberty Mutual policies can be bought in only one way—direct from the company.

FREE BOOKLET, “THE TRAFFIC COP SAYS”

Handy pocket information for motorists. Tells what to do in case of accident; Before the Accident Happens; Different forms of Auto Insurance, and many other valuable things.
